Message from Premier J. C. Douglas

It was a real pleasure for me to learn that Saskatoon had been selected as the site for the 1961 Canadian Outdoor Speed Skating Championships. I derive a good deal of satisfaction in knowing of people from other parts of Canada who have come to Saskatchewan to take part in competition with Saskatchewan athletes.

In competitions such as yours, Canadians come to know each other better. You will learn from one another, make new acquaintances and fast friends. Individually and nationally, I'm sure you will gain.

The Saskatoon Lions Club deserves special commendation for sponsoring this championship event. There is growing opportunity in Canada for our young people to compete in events of this kind and the Saskatoon Lions Club is a leader in providing this opportunity to the speed skaters. To all Lions members, may I add my words of congratulation to the ones you will be hearing from the competitors themselves, the sports fraternity and others in the Saskatoon community. You are indeed living up to the Lions' motto, "We Serve".

On behalf of all Saskatchewan people, I extend a hearty welcome to all those taking part in any way. You will have worked very hard in preparation for this competition but only a few can be proclaimed champions. I'm sure the spirit of competition and the joy of meeting with friendly, keen competitors will be a full reward for your efforts.

The best of luck to all of you.

Welcome to Saskatoon

It is a very real pleasure for me, on behalf of the citizens of Saskatoon, to greet all those participating in the 1961 Canadian Speed Skating Championships.

To the visitors to our City for this event, we would especially like to extend a warm and sincere welcome. We hope your stay with us will be an enjoyable one.

Many of our local skaters have, in the past, won Dominion recognition. As a result, interest in speed skating in this City is very keen, and we are indeed looking forward to this year's competitions.

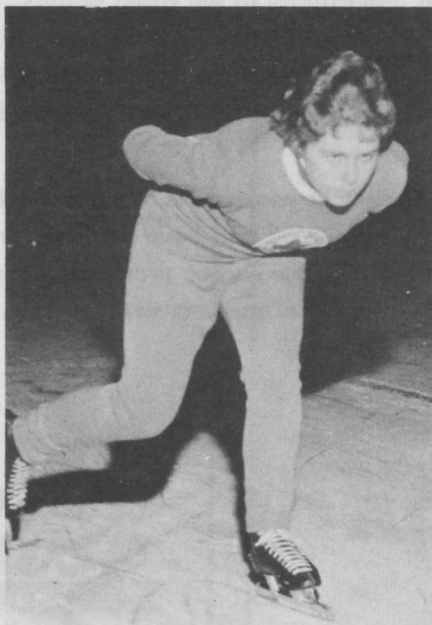

The best of luck to all of you.

S. L. BUCKWOLD, Mayor.

Message of Welcome

As President of the Saskatoon Lions Club, I am very pleased to have the opportunity of extending a most sincere and warm welcome to the contestants and spectators attending this Canadian Amateur Speed Skating Championship.

The Lions Club is very proud of the fine associations they have enjoyed with Speed Skating. Personally, I am more than pleased to have been associated with the pioneers of this wonderful sport in Saskatoon; men who devoted a great deal for the betterment of Speed Skating in Canada.

To those taking part in the Championships today, we hope you will enjoy individual and collective success in your skating, and go on to even greater success in the future.

Sincerely,

WM. T. WAITE, President,
Saskatoon Lions Club.

Speed Skating President's Message

Speed skating, requiring the speed of the sprinter, the stamina of the oarsman, the dedication of the middle distance runner, and the ethics and morals of the truly amateur athlete, must be classified as among the best and noblest of all amateur sports.

A Canadian championship gained in any of the events which take place during the next two days, therefore, indicates an achievement of the highest order. During the heat of competition let no competitor, coach or sponsor forget, however, that the important thing for each winner and each "also ran" is not in winning but in the giving of his best to the competition.

With this in mind let me congratulate the local committee responsible for these Canadian Championships. Let me, also, sincerely congratulate the City of Saskatoon, the Saskatoon Lions Club, the Playgrounds Association, and the local and Saskatchewan Speedskating executives for the part they have played in making these Championships possible. Their contribution to the healthy development—physical and mental—of the many fine young competitors must be to them a source of great satisfaction.

Best wishes for a successful meet.

K. A. WEST, President,
Canadian Amateur Speed Skating Association.

GEORGE WARD, Director
City Hall, Phone CH 2-6631

Mr. A. Atkinson, Chairman
Lions Speed Skating Committee,
Saskatoon, Sask.

Dear Mr. Atkinson:

The Saskatoon Playgrounds Association is most happy that the Canadian Speed Skating Association has seen fit to approve of the application from the Lions Speed Skating Committee to stage the Dominion Championships in Saskatoon on February 11th and 12th, 1961. This is the fifth time your Club has been so honoured so it would seem that the Canadian Association has every confidence in the administrative ability of your Committee and also the Playgrounds Association's co-operation in providing adequate and suitable facilities for such an important event.

On behalf of the Saskatoon Playgrounds Association, may I wish your Committee every success. I would also like to convey our best wishes to every contestant.

Sincerely yours,

Wm. A. Reid

A Sampling of Saskatoon's Recreation Facilities

The City of Saskatoon, through the Saskatoon Playgrounds Association, is pleased to provide the track, etc., in order that the 1961 Canadian Speed Skating Championships could be competed for under ideal conditions. We wish every success to the Lions Speed Skating Committee and to all competitors.

Official Opening

LIONS CLUB SPEED SKATING HEADQUARTERS — February 11th, 1961, 1.30 p.m.

HISTORY OF BUILDING

In 1945 the Saskatoon Lions Club constructed a small building 14' x 30' beside Birks, to be used as a headquarters for ticket sales on a house being raffled in order for the Lions Club to obtain money to construct the present C.N.I.B. building on Fourth Avenue. In December of 1945, on the completion of the drive, the Lions Club gave the building to the Speed Skaters to use as a headquarters. On the direction of Lion Clarence Downey (deceased) the building was moved to the Victoria School grounds and was used exclusively by the Lions Speed Skating Club.

In 1948 it was decided to move the Lions building to Optimist Park where the Playgrounds Association had arranged to construct a speed skating track. The building was placed alongside the hockey building on the East side of the skating rink.

In 1958 it was decided by the Playgrounds Association to approach the City Council with a request to provide

better accommodation for skating, speed skating, etc. City Council approved of the request and the required building was designed by the City Planning Department. Tenders were opened on November 3rd, 1959, and the lowest bid, \$28,000.00, was awarded to Shoquist Construction Ltd. The old building was donated, by the Lions Club, to the soccer footballers, and is presently situated in Fairview Park.

Before the matter was considered by Council the Playgrounds Association approached the Lions Club, sponsors of the Speed Skating Club, and the Club gave \$4,000.00 towards the cost of the building. The building was completed in May, 1960, and was open to the Speed Skaters at the beginning of the present winter.

Immediately west of the building is a 6 lap speed skating track used by the Lions Speed Skating Club and citizens for pleasure skating. The track is provided, as a public service, by the Saskatoon Playgrounds Association.

FACTS AND FIGURES

LOCATION: The location is the North East corner of Optimist Park—Avenue J and 19th Street.

OPERATION: The building is used exclusively by the Lions Speed Skating Club. The Club has training periods every day of the week and visitors are welcome at all times.

SIZE AND SHAPE: The total building is "T" shaped and so designed that it has two "wings." One wing is used by hockey teams, etc. in the winter and by the children of the Kinsmen Recreation Unit in the summer.

The North South Wing is 56' 6" long and 16' wide and contains the Lions Speed Skating Headquarters, two

toilets, furnace room and garage.

The East West Wing is 57' long and 16' wide and is available for "overflow" speed skating.

The heating is provided by a gas furnace forcing hot air through underground ducts. The floor is covered with $\frac{3}{4}$ " asphalt planking.

The Lions portion of the building contains cupboards, skate sharpening equipment, trophy case, sink and electrical outlets.

STAFF: The maintenance staff presently consists of Mr. Abe Janson and Mr. Jake Giesbrecht who have a sincere regard for the Speed Skating Club and do all in their power to keep the track in perfect condition.

PROGRAMME TO OFFICIALLY OPEN THE LIONS SPEED SKATING PORTION OF THE BUILDING

Note: The Official Opening of the Kinsmen Wing took place on August 20, 1960.

Master of Ceremonies—Mr. Wm. A. Reid, President, Saskatoon Playgrounds Association.

1. Mr. Art (Lion) Shoquist, of Shoquist Construction Ltd., builders of the Unit, will hand the keys to Mr. W. E. Graham, City Planner and Building Director, whose department designed the building and supervised its construction.
2. Mr. W. E. Graham will hand the keys to Dr. Wm. T.

(Lion) Waite, President, Saskatoon Lions Club, which paid a portion of the cost of the building.

3. Dr. Waite will hand the keys to Alderman R. A. Heggie, Deputy Mayor, who will accept the keys on behalf of the City Council and the Citizens of Saskatoon.
4. Alderman R. A. Heggie, Deputy Mayor, will hand the keys to Mr. C. Halina, Chairman of the Playgrounds Association's Rink Committee, who will administer the unit for the citizens of Saskatoon.
5. Mr. C. Halina will call upon Alderman R. A. Heggie, Deputy Mayor, to cut the ribbon and declare the building Officially Open.

Greetings and Good Skating

Mayor
S. L. BUCKWOLD
